

Installer Self-Assessment Declaration

Company name	Composite Doors Cardiff Limited
Site operative(s)	

Declaration

To be completed and given to Homeowner no more than 24 hours prior to scheduled site visit:

I declare the following to be true on the day of site visit at your property

- Site operatives, nor anyone in their households are self-isolating.
- Site operatives, nor anyone in their households have experienced recognised symptoms of coronavirus in the past 7 days (including today).
- You have completed and provided us with a homeowner self-assessment declaration.
- The information provided by you from your homeowner self-assessment declaration is satisfactory, and it is agreed by both parties that it is safe for us to enter the property.

Terms and Conditions:

- Working areas in the house will be limited as best as reasonably practical.
- Floors in working areas will be covered with suitable disposable floor protection film.
- We will clean and disinfect all glazed products for installation with suitable cleaning agents and disposable wipes when received from suppliers or delivered to site.
- We will limit the number of site operatives carrying out the work whilst complying with HSE regulations and guidance.
- Site operatives will maintain a minimum of 2 metres distance from other persons.
- Site operatives will rearrange tasks where possible, to enable them to be done by one person, or to maintain social distancing measures.
- Installations will be carried out one room at a time wherever possible.
- Site operatives will provide their own tools for the job.

- Site operatives will provide their own cleanliness pack (handwash, soap or alcohol gel; clean water supply; paper towels and tissues.)
- Site operatives will bring their own food and drink and take all food waste and packaging away for disposal.
- Site operatives will either:
 - Arrange mobile toilet facilities away from the house where there is only a single WC within the property, or;
 - Use WC facilities in-line with the agreement made between homeowner & surveyor at the survey/pre-installation appointment.
- Site operatives will wash their hands at regular intervals.
- Site operatives will undertake the correct provisions, use and disposal of Personal Protective Equipment (PPE).
- Once installed, the internal surfaces of all products including glazing will be cleaned with suitable anti-bacterial cleaning agents and disposable wipes.
- All debris will be removed from the property and the house.
- If work is interrupted due to either a household member or site operative becoming ill with coronavirus symptoms, the installer will ensure that the property is left in a safe condition and protected from adverse weather conditions.
